

SENIOR SLOW PITCH 2023 SEASON STARTING SOON!

The Bay Area Senior Softball Association (BASSA) is a southeast Houston area non-profit organization that provides a slow pitch softball league opportunity for senior citizens (50 years and older, men and women). BASSA games are played at the Kipper Mease Sports Complex at 10700 Red Bluff Road in Pasadena, Texas. BASSA has hosted senior league play since 1998, with teams drafted from registrations in late February, and a Spring season schedule that starts the first week

of March and runs through the end of May. BASSA games are played on Tuesday and Wednesday mornings, with games starting at 9:00AM and 10:15AM. BASSA shuts down play during the heat of the summer, but has a Fall season that starts in early September and runs through late November, with the Spring teams continuing into the Fall, along with any new registrations added to the rosters. Players re-register every year and teams are re-drafted each year. The annual registration fee is typically \$75 and covers both the spring and fall seasons. Anyone interested in coming out to enjoy some senior slow pitch softball competition and senior group socializing, send an email to BASSA President Jack Boykin at jboykin4@comcast.net.
